EDUCATION

Bachelor of Arts in Experience Architecture (XA)

Michigan State University, East Lansing, MI, 2015–2019 (Expected)

- Minor in German
- 3.49 GPA, Dean's List (2 semesters), Honors credits
- **Coursework:** Design Thinking, Fundamentals of IT, Introduction to XA, Introduction to Web Authoring, Logic and Reasoning, Project Management, Researching User Experience

Freshmen Seminar Abroad

Michigan State University, July 2015

Enhanced cultural awareness and sensitivity to customs and cultural differences. Developed new time management skills to balance academic and personal lives. Used communication and organizational skills to navigate through new cities.

WORK EXPERIENCE

Freelance Web Designer and Developer

BrockDelebreau.me, July 2016–present

Independent designer and developer working with various clients to create beautiful projects. Work includes web design (conception, sketching, wireframing, etc.) and collaboration with client, front-end development and maintenance, and more to produce excellent experiences.

Student Assistant/Intern

Michigan State University Honors College, January 2017–present

Student assistant and intern in the Main Office of the MSU Honors College. Daily tasks include communicating with academic advisors and students for appointments as well as taking and directing phone calls. Other tasks vary depending on season but may include responding to emails, taking deliveries, stuffing admissions letters, etc.

General Merchandise and Lawn & Garden Associate

Shopko, May 2016–present

Full-time sales associate during academic breaks. Work includes stock management and replenishment, lawn and garden maintenance during spring and summer months, cashiering and money handling, and more. Used time management skills to ensure all daily tasks completed without direct supervision. Learned team and individual skills to ensure accurate completion of work both inside and outside the store.

Professorial Research Assistant

Michigan State University, Sep—Oct 2015

Developed mobile applications for an environmental genetics lab under Dr. Syed Hashsham.

Crew Member

Main Street Market, April 2013—July 2015

Work included stock management, customer carry-out, cleaning, and customer service. Accommodated varying work schedules and emergencies. Provided exceptional customer service resulting in repeat business. Strengthened communication, interpersonal, and team skills through daily tasks.

Religious Education Teacher Assistant

All Saint's Catholic Church, Sep 2012—Jan 2015

Volunteered alongside an instructor to teach 4th and 5th grade students. Explained concepts to students in relation to everyday life. Occasionally acted as a substitute teacher for grades K-6. Collaborated with instructor on lesson plans and student activities.
